

Interested in wildlife? Want to learn more about all the exciting plants and animals found in Delaware? Join us for our very first  
**BIO-BLITZ!**

**Sunday, April 26, 2009**  
**ALL DAY**

**WHAT IS A BIO-BLITZ?**

A Bio-Blitz is an all day event to identify all of the plants and animals living in a specific natural area, involving both experts and volunteers.

**VOLUNTEER TODAY!**

For more information and a volunteer time schedule, please contact Derek Stoner  
Derek@delawarenaturesociety.org
