

“Buy One, Give One Free”

Special Membership Offer

November is Membership Month—a time to celebrate loyal members like you. This November, we are pleased to offer a special opportunity to share the rewards of a DNS membership with a family, friend or neighbor. If you renew your existing membership at a higher level during the month of November you may give away “FREE” a complimentary Household Membership (a \$55 value) to anyone you wish as long as they do not have a current active membership with DNS! You may take advantage of this fantastic offer even if it’s not time for you to renew. Your existing membership will be extended for an additional twelve months from the current expiration date.

Once you have completed the online renewal process please email our membership coordinator Joanne Malgiero at joanne@delawarenaturesociety.org and provide her with the following information:

Name of Gift Recipient:

Address:

City, State, Zip:

Phone:

Email:

This gift is from:

We’ll send a welcome letter and membership cards to the lucky person indicating that the gift is from you.

We hope to see you and your friends at our many upcoming events!

Please Note: If renewing online, upon completion of the online membership renewal transaction, your membership expiration may not reflect the correct date. Our personnel will manually adjust this to reflect the additional twelve months from your current expiration date and you will see this on your membership cards.
